No. 21

SANTA CLARA University Student Body President Jerry McGrath (left) and SJS presy Don Hubbard (center) look over the pact signed yesterday prohibiting raiding of the two schools.

and setting up a joint student council to deal with the offenders. SCU Treasurer Jerry Kirrene (right) came along with McGrath for the ceremony. —photo by Williams

SCU Pact To End Horseplay With SJ

After long years of frustrations and horseplay, the University of Santa Clara and San Jose State College signed a pact yesterday in the Student Union designed to end the extra-curricular aspects of the rivalry between the two schools.

Signing the document for Santa Clara was Jerry McGrath, Bronco Student Body President, ASB President, Don Hubbard representing SJS.

Both officials were happy that

the pact, similar to the one dealing with student relations with College of the Pacific, was finally inked after being in the planning stage since the resumption of athletic relations between the two institutions.

Main features of the pact were the prohibiting of kidnapping, any type of physical abuse and defacement or destruction of property, especially burning and painting.

A joint committee made up of the two student body presidents and two students for each school is to be formed to deal with complaints of vandalism and to fix blame in case of property destruction.

McGrath was happy that the pact "has been signed after so much delay. I hope it leads to better relations between the two schools. We will go along as much as possible to hold up the pact."

Hubbard issued sentiments along the same lines. "I think it is a definite step forward in better student relations with Santa Clara. I feel that in the past, poor relations have been partly due to lack of interest in the student councils."

Hair Stylist To Talk Before AWS Group

Nicholas Thomas, Willow Glen hair stylist, will be guest speaker at the AWS meeting today at 4:30 p.m. in Room 117, according to Barbara Fischer, program chairman.

Thomas will give the latest information on fashionable hair-dos as well as demonstrate different coiffures for various face shapes. Also on the agenda is discussion on the California Maid of Cotton contest in which AWS will sponsor three contestants.

All interested girls are welcome to attend.

Eta Mu Pi To Hold First Meet Tonight

Eta Mu Pi, national honorary business fraternity, will hold their dinner-meeting tonight at Havenly Foods, beginning at 6 o'clock.

Following the dinner, a meeting will be held at which time, Eta Mu Pi keys will be awarded to the new initiates. The meeting tonight is the first one to be held this semester.

Guest speaker will be an employee of the Ford Plant, who will speak on the problem of distribution of the products.

Faculty members that will attend the meeting tonight are Dr. Milburn D. Wright, now on sabbatical leave, Jack Holland, and Jack Abgrig.

Officers for this semester are Jerry Rendahl, president; Wayne Halbert, vice-president; Dick Reese, treasurer; and Annie Trivisano, secretary.

Teacher Approval To Be Explained

A meeting explaining the procedure for obtaining teacher education approval will be held in the Morris Dailey Auditorium today at 3:30 p.m.

The meeting will pertain to all credential programs, and it is important that all transfer students, as well as those who have been attending San Jose State College prior to this semester, attend.

Need Convertibles

Late model convertibles are urgently needed for the Homecoming Parade. Anyone able to furnish an automobile is asked to call Dick Yeager, CY7-9981. Please... no sports cars.

Religion-in-Life Week Slated for Nov. 13-18

The annual Religion-in-Life week, sponsored by the College Religious Council of SJS, will be held from Nov. 13-18, according to Claudette Allen, chairman of the classroom lectures committee.

The theme for the week will be "Faith for Today." The purpose of the week is to "present an opportunity for students and faculty to understand and appreciate their own and other religious heritages and to challenge each individual to find a deeper spiritual and intellectual dedication to God, so that he may enrich his own life and the lives of his fellow men."

Carolyn Stelling is general chairman for the Religion-in-Life week. The adviser is the Rev. Jim Martin.

Other chairmen planning the week of activities are: Claudette Allen, classroom speakers; Roger Hamby, house discussions; John Flotho, art and book displays; Ed Spencer, finance; Ken Simpkins, arts program; Doug Gary, opening service; Jim Wellington, printed

Spardi, Company Venture to Stockton For Exchange Rally

Spartans journeyed to the home of the COP Tigers last night to present an exchange rally in the Stockton outdoor Greek Theatre.

Mr. Spardi, who was hustled to the COP homelown in a private car with masked bodyguards, the song girls, cheer leaders and the rest of the rally members participating in the show, returned late last night from the lively rally.

The rally used the same theme as was used in the Arizona pregame rally. Training red lights on the outdoor stage, they depicted a scene in Hades where the devil is after SJS football captain and coach to throw the game this Saturday. The devil only is successful in luring "Moose" Myers into Hades.

Mark E Group To Appear Before Student Committee for Recognition

The Mark E's, a newly established independent organization for regularly enrolled male students, will go before the Recognition of Student Organizations Committee tomorrow according to Ro Wauer, president.

Wauer said that a constitution has been submitted and will go before the committee for final approval as an endorsed, recognized independent organization on campus.

After submitting a statement of purpose to Miss Helen Dimmick, associate dean of students, the club

Esselstyn Speaks At Meet Tonight

Tri Sigma, social service club, will meet tonight in the Men's Faculty Club at 8 o'clock.

Mr. Esselstyn, faculty member will be guest speaker. He will talk on "Probation and Social Work," according to Edwin Klein, publicity chairman.

The meeting will be open to students who are interested, with special invitation to social service and sociology majors.

Rally Meet Tonight

A meeting of the Rally Committee will be held tonight at 7:30 o'clock in Morris Dailey Auditorium.

KEEN To Present Homecoming Show On Radio Program

Radio KEEN will present a show called "Homecoming Extravaganza" at 9:05 p.m. tomorrow, according to Frank McCann, assistant professor of drama.

The show will be a series of tape recordings which the Radio and Television Guild has been recording during this whole week.

One tape will feature San Jose's Mayor George A. Starbird, who will give his views on the possible outcome of the COPSJS game and the Inter-City Pact Signing. Tapes of the Rally in Stockton with a few words from COP and SJS rally participants will be heard Thursday.

McCann plans to tape an interview with Bob Bronzan, SJS Football Coach and Jack Adams, football team captain. He will also make tape recordings of groups working on floats.

Queen Barbara Dale also will be heard with a few comments.

Foreign Students To Attend Dinner

Foreign students for San Jose State, Stanford, San Jose Junior College and Santa Clara have been invited to attend a dinner to be held Monday, Oct. 24 at 6:30 p.m. at the First Methodist Church at 5th and Santa Clara.

The Santa Clara County chapter of the American Association of the United Nations is sponsoring the dinner. Foreign students wishing to attend must sign up by 4:30 p.m. this afternoon in Dr. Phillip Persky's office, Room 2A in building "K" on 7th Street. Persky is the adviser to foreign students at San Jose State, and is an instructor in the English Department.

Renato Salcedo will represent the San Jose State students on the program to be held in the church. Discussion on the celebration of United Nations week will be held.

LaTorre Deadline For Clubs, Seniors

All campus organizations must have contracts for space in the La Torre turned into the Graduate Manager's Office or the La Torre Business Manager, Ray Mason, by Friday.

Senior sign ups are still being taken in the La Torre Office, Room J9. All seniors who are graduating at the end of the school year and wish to have their pictures in the college yearbook must sign up in the La Torre Office.

Journalism majors must sign up by Friday.

Student Court Rejects Four Election Candidates

IFC Announces Three New Court Appointments

The Inter-fraternity Council has appointed the members of the IFC court and Don Hubbard, president of Kappa Alpha and ASB president, chairman, according to Dean Robert S. Martin.

At Wednesday's IFC meeting three new members were appointed to the court. Don Hubbard and Jerry Weber were former members of the court. Weber is president of Kappa Tau fraternity. The new members include Gerald Kenly, president of Lambda Chi Alpha; Aaron Levy, president of

Phi Sigma Kappa; George Snell, president of Pi Kappa Alpha.

The court is made up of five fraternity presidents and they are the judicial body of the inter-fraternity system.

The first meeting for the IFC court is scheduled for Thursday. The new members will be instructed on court procedures and duties of each member.

Many rules and regulations are part of the IFC's jurisdiction. These rules and regulations are sometimes broken by the member fraternities. It is the job of the court to decide which rules are specifically broken and what penalty should be accorded.

In 1954 the court had to deal with a case of fraternities caught drinking alcoholic beverages during rushing. The court acted on four of the fraternities and put three of the organizations on probation. Last year's action was the first time that the IFC court acted on a measure involving fraternities which had broken a rule.

Co-Rec To Meet Tonight; All Invited

Students are again reminded that Co-Rec meets every Wednesday night in the Women's Gym from 7:30-10 o'clock. The organization will again be open tonight for all students who wish to participate in the games, dancing, and activities.

No fee is charged to get into the night's activities, only the presentation of a student body card is needed. The organization is open to all students, according to Jerry Moore, publicity chairman.

Officers for this semester's group are Jody Crouch and Jim Rhode, co-chairmen.

Advisers for Co-Rec are Dr. Mary Wiley, Miss Ardith Frost and Buford Bush. Bush is head adviser for Co-Rec this semester, and is in the Recreational Department here at SJS.

The Co-Rec Committee meets every Wednesday at 1:30 p.m. in Room 2 of the Women's Gym. All students interested in joining the board, are invited to attend.

Three Nude Youths Found Dead in Ditch

CHICAGO, Oct. 18 (UP)—The nude bodies of three young boys, their heads bashed in, were found yesterday in a forest preserve on the city's outskirts.

Forest preserve rangers said the bodies were found piled one on top of another in a ditch beside Lawrence Ave., west of the city in Robins Woods.

There was no immediate identification, but three boys were reported missing Sunday from their homes in a northwest side community near the forest preserve.

The three were Robert Peterson, 14, John Scheussler, 13, and his brother, Anton, 11.

TRIO KILLED IN PLANE CRASH NORTH HOLLYWOOD, Calif., Oct. 18 (UP)—A small plane piloted by millionaire sportsman Joel Wolfe Thorne crashed into an apartment house Monday night, bringing flaming death to three persons and injuring seven others.

The dead were identified as Thorne, Mrs. Betty Jean Wolf, 18, and Sherrill Preston, six-week-old girl. Mrs. Wolf was a second floor resident in the apartment building.

Seven persons attending a christening party for the Preston child were removed from the shattered building and taken to North Hollywood and Valley Receiving Hospitals in critical condition.

Hospital attendants said the bodies of the victims were badly burned.

The plane, a Beecraft Bonanza, smashed into the front second-floor apartment of the two-story building shortly after takeoff from nearby Lockheed Air Terminal in Burbank.

Prior to the accident, residents said they heard a low-flying plane, its engine sputtering and apparently in trouble. There was a momentary silence when the engine cut out, followed by a resounding crash which shook the entire area. Police said the plane hit high tension wires sheared a wing and then smashed into the apartment.

TALKS OF MIDDLE EAST WASHINGTON, Oct. 18 (UP)—Secretary of State John Foster Dulles said yesterday he expects to discuss the explosive Middle East situation with Russian Foreign Minister V. M. Molotov at next

week's Big Four Foreign Ministers meeting in Geneva.

Dulles noted at a news conference that he already has raised the question twice in discussions with Molotov.

The third time might bring more luck, he said.

Dulles also said it would be permissible for the Middle East situation to be placed formally on the Geneva Agenda if all of the Big Four Foreign Ministers agree. But Dulles said he thought it more likely the matter would be discussed informally in private side talks.

WISCONSIN RUNS AGROUND

NEW YORK, Oct. 18 (UP)—The 45,000-ton battleship Wisconsin, one of the four largest battlewagons in the world, was driven aground on Diamond Reef 1000 yards from the Brooklyn Bridge in New York Harbor yesterday by the flood-swollen waters of the East River.

Navy and commercial tugs freed the mighty vessel an hour later. The Navy said no one was injured in the mishap and the Wisconsin was not believed to have suffered any damage.

THREE FLYERS KILLED

SAN DIEGO, Calif., Oct. 18 (UP)—Three Naval fliers were killed when their helicopter plunged into the sea during carrier operations in the Western Pacific, the Navy announced yesterday. The Pacific fleet said the crash occurred Thursday.

It did not give the exact location of the crash or name of the carrier. The crash was observed but all rescue attempts failed, the Navy said.

PREMIER TO BE NAMED

RABAT, Morocco, Oct. 18 (UP)—Morocco's French-installed four-man Throne Council announced yesterday it would "sit all day every day" until it names a man to lead a national government.

The Council met for two hours and 15 minutes Monday at its first session but was unable to agree on the first premier for this French protectorate.

Fatmi Ben Slimane, a moderate, was generally expected to be named to the post and he said in Paris he would accept the nomination if it is offered.

Four candidates running for Sophomore and Junior class offices were disqualified yesterday by the Student Court, according to Bob Becker, chief justice of the court.

The students were declared ineligible due to scholarship deficiencies approximately a week after they had received their initial okay from the Court following examination of applications.

Declared ineligible yesterday were Bruce Bush, candidate for Junior Class president; Ralph Parker, candidate for Sophomore class president; Jim Adams, white ballot candidate for Sophomore Class treasurer; and JoAnn Albert, candidate for Sophomore Class secretary. With the removal of Adams' name from the ballot, a write-in candidate will be elected Sophomore Class treasurer because Adams is unopposed.

All four state they have an overall average above the 2 point or "C" level but admit their spring quarter grades were not up to the average. One, Ralph Parker, was only .7 points below the required level.

CITE NEGLIGENCE

It was a case of "negligence on the part of the Student Court," Chief Justice Becker announced. The candidates' names had been sent to the Registrar's Office for the scholarship check after the office hopefuls had been accepted as candidates. "An administrative delay," ASB President Don Hubbard stated.

Hubbard added he would look favorably upon an extension of the election time limit. Under the present regulations, elections must be held within five weeks after the fall semester begins.

The Registrar's Office is unable to process the candidates' grades within the five week limit passed only last year because more important administrative work must be disposed of first, according to Hubbard. He sees an extension of the limit from the five week setup to an eight or nine week period.

BUSH DROPPING ANYHOW

Bruce Bush stated he was preparing to drop from the election race anyhow due to outside employment. "I think there should be something done to make the election procedure more efficient," Ralph Parker commented. "I wish I had known."

JoAnn Albert replied when informed of the court action. Jim Adams thought the Student Court could be a little more organized. All the disqualified candidates said they were unaware that a "C" average the previous quarter was necessary, believing that an overall grade point total above the 2. mark was all that was necessary.

Dr. Forrest Baird Receives Degree

Dr. Forrest Baird received his Ed.D. from Stanford University Sept. 20. His dissertation was "An Evaluation of the Curriculum for the Special Secondary Credential in Music."

Dr. Baird is an Assistant Professor of Music. He has been on the faculty here for 10 years.

Dr. Baird received his B.A. from San Jose State College, and his M.A. from Columbia University. During his senior year at San Jose State, Dr. Baird was on the faculty.

Drop Deadline Set

Friday is the last day students may drop classes, according to Dr. Gertrude Cavins, assistant to the dean of instruction. Persons now failing in a course may drop it without any penalty, if done by Friday.

Committee Reports At Council Meeting

Committee reports will make up the major portion of the business to be discussed by the Student Council at its meeting this afternoon at 2:30 in the Student Union, according to Ray Freeman, ASB vice-president.

Plans for the exchange dinner tomorrow night with College of the Pacific will be discussed.

Faculty Club

The Women's Faculty Club will meet for a lunch hour get-together today at 12:30 p.m. in the Women's Club. Miss Bethel Fry and Mrs. Helen Stevens will be hostesses.

Members of the Club are reminded to make their reservations now for the dinner at the Trinity Church on Oct. 26. Miss Catherine Wallace of the Health Office is taking reservations for this affair.

EDITORIAL

Somebody Goofed!

Student Court has done it again. Yesterday it disqualified four students from elections—which will be held tomorrow and Friday! Not only has it disqualified persons practically on the eve of elections, these persons were disqualified one full week after they had been informed they were eligible to run. The reason—grades were not checked until this week.

What has caused this? Is it through inefficiency or stupidity or just plain lack of interest in the whole thing? We do not believe so. Rather, we feel that the fault lies in the ASB Constitution itself, which states that the Student Court Chief Justice be appointed fall semester. Naturally when the Court is without a leader until only a few short weeks before elections, the situation is going to be other than organized.

It is too late now to undo what has been done. Those persons who were disqualified cannot, of course, be reinstated in the election race. But something can be done to stop another such situation from arising. The Chief Justice should not be appointed in the fall. This should be done far in advance—spring semester. This would give the justice time to become acquainted with the workings of the Court. It would ensure leadership of the Court when school begins again in the fall. How about it, SJS?

Seniors Take Finals?

Dear Thrust and Parry:

In reading last Friday's paper, the seniors were officially notified that a recommendation by Dr. Harclerod was being sent to the President's Council for approval; that is, if the President's Council feels that finals will further help seniors in their academic education.

Isn't it true that a senior, transfer or not, should be given a break somewhere along the way and have the freedom of being exempt from finals and have a full gigantic week to have time to meet other seniors, professors and the such? There is no better time than during this week, before we go out in the world, that we can make contacts and further help ourselves.

What about the seniors who don't participate in the Senior Week? Well, you and I know that all people aren't alike and no matter who it might be, everyone won't participate no matter what the function is or what it is for. But don't you think that the ones who do participate are gaining just as much as they would from final examinations?

Another thing we must consider is that every senior will be charged \$20 for senior activities. For a fee like this, we must have time and something to use it on.

I hope the President's Council will do some deep thinking before it approves this recommendation. If, after that, the council still feels we need finals, we the seniors will just have to budget our time and fit in our work, interviews, studies and our senior activities.

Against Mr. Coffee Cup

Dear Thrust and Parry:

How about more information on the proposed "Mark E" club? I would like to know more about it. Phone CY3-3550.

The gents or ASB's knocking the Daily for too much Greek activity coverage should realize the Greeks run this and most other colleges as they vote en masse and are entered in every phase of college government, athletics and social life.

The fact remains they vote close to 100 per cent and don't sit back and gripe. If the independents want coverage why not enter into them and then get off your coffee cups long enough to vote and attend meetings.

DON ANSEL
ASB 8634

At Swords' Points

Dear Thrust and Parry:

In regard to Friday's letter from a series of ASB numbers who didn't appear to have the guts to sign their names, we would like to put up a defense for the many activities that were blasted.

It seems as though the signers think that they are so far above the rest of us, that the normal functions of any college of higher learning such as SJS seem to be childish. It appears that they are the childish ones, if they have to make rash statements about our fine Greek organizations which are a great aid to our fine college, as many of the administrators and athletic coaches will agree.

But wait, our brave souls also blasted our insignificant athletic program. It seems as though these people are really ignorant that we have a great football team and that we are a high level school as far as athletics are concerned. They are so wrapped up in their small circle that they fail to care about anything else in the school except themselves.

We didn't realize that the Spartan Daily was so poor. On the contrary, it seems a very mature paper which carries world news and social news like any other daily paper. As we remember, it was our high school papers that didn't carry such news. Maybe you're living in the past.

It is almost stupid, we think, to blast our song girls. To many, they are doing a fine job, and we agree, but our brave little numbers who have probably done nothing for the school just know how to complain.

Yes, this is a college of higher learning and the Spartan Daily is regarded as one of the top college papers in the nation, but our narrow-minded friends don't seem to know that, or much of anything else.

Some of their ignorance is brought out when they said that the brighter ones would know why many wouldn't sign their names and then they turn around and become afraid to run their names. They did run their ASB numbers, however, but who is going to waste the time to look them up?

A final retaliation. Anyone who thinks that by signing a letter he will hurt his future academic career must really be ignorant of what life really is. In your small world that you must live in you may do that but they don't do that at this college.

We are sure that this isn't the end of the matter. We feel that there will be, and should be, more said from both sides but we hope in your next letter that you will be brave enough to sign your names as we have.

Spartan Sophomores Show Fired-Up Spirit, Aggressive Leadership Plans

By VINCE PERRIN

That old adage about perennial sophomores packs more innuendos beneath the surface than one would ordinarily suspect. Actually, perennial is hardly the word for them. It's more like magnanimous.

One of them is Didi Smith, the pert, pretty young president of San Jose State's class of '58. She captures that spirited sophomore zest so typical of her class since fall semester began.

This year's agenda of scheduled sophomore events is as enterprising as a promiscuous octopus and notable for its pioneering innovation in class leadership technique, one that is almost daring in its simplicity.

The technique planned and well underway, is to utilize new sophomores in really responsible class positions while the experienced class leaders act in advisory capacities.

MEMBERS LEAD THEMSELVES

"We want the class to lead itself," emphasizes Didi. "It will not be the officers who formulate policies but class members themselves. Every sophomore who comes to our meetings is a potential class leader."

The implications in this new "leadership-training" policy are obvious and the results are already proving exciting. The forthcoming Frush-Soph Mixer is a case in point.

Comparative newcomer Chuck Rigdon is at the helm with Ralph Parker, class vice president, "advising." All indications reveal that this first mixer will be the biggest and best lower classmen are likely to attend.

COMPETITION IS KEYNOTE

As usual, the mixer will be run on the popular competitive basis. The class snagging top laurels in attendance, points gained by game participation and entertainment, judged by the chaperones, walks off with the coveted gold plaque.

"Reviewing the response we received last year," Didi surmises, "I really do feel we'll walk away with the plaque but even though we do win, we'll guarantee the Freshman Class an enjoyable evening."

"Enjoyable evening" appears to be an understatement, judging from the energy released thus far in detailing the event. A dinner is already planned and a "tug-of-war" between men and women of each class is a certainty.

BAND IS POSSIBILITY

The possibility of having a small band, as at last year's mixer, also is pretty definite. Didi not only urges all sophomores to attend but, "to participate in the various events."

Didi insists that, "under the guidance of the general and committee chairmen, along with the cooperation of the committee members, the mixer will be

a successful event for our class. "We're going to win this mixer," she adds, with a twinkle. "Just as we won the last one."

Class activities are by no means confined to mixers. In November, class members launch their "Gorgeous Gams Contest," as comely a display of male pulchritude as Spartans are likely to see all year.

IMPROVEMENTS MADE

Improvements in rules and regulations will undoubtedly increase participation in the week-long event and Didi suggests that "Fraternities and sororities who plan to sponsor entrants might be thinking about candidates."

Last year the class netted \$240 from the contest, though half that sum they portioned off to the Campus Chest Drive. They plan to follow suit this year and will begin discussing the event at next Monday's meeting.

Didi is also cooking up an "Intra-Class Mixer," a party for sophomores only, possibly for spring semester. Also, the class will continue to sponsor several after-game dances during basketball season; the Hawaii after-game dance, reports chairman Ted Terzakis, netted another cool \$200 profit.

ADVENTURES IN SOCIAL SCIENCE: NO. 1

"The proper study of mankind is man," said Geoffrey Chaucer in his immortal *Casey at the Bat*, and I couldn't agree more. In these tangled times it is particularly proper to study man—how he lives, how he functions, how he works. Accordingly, this column, normally devoted to slapdash waggery, will from time to time turn a serious eye on the social sciences.

In making these occasional departures, I have the hearty approval of the makers of Philip Morris Cigarettes, whose interest is not only in promoting the pleasure of young Americans by providing them with a gentle cigarette, matchlessly blended of vintage tobaccos, grown with loving care and harvested with tender mercy, then cured with compassionate patience and rolled into firm, tasty cylinders and brought to you in king size or regular, wrapped in fetching packages of lively crimson and pristine white, at prices that wreak no havoc on the most stringent of budgets; but who are equally concerned with broadening the minds and extending the intellectual vistas of every college man and every college woman.

I, for one, am not unmoved by this great-heartedness in the makers of Philip Morris, and though I know it is considered chic these days to disparage one's employer, I shall not. Indeed, I shall cry "Huzzah!" for the makers of Philip Morris. I shall cry "Huzzah!" and "Bon appetit!" and "Stout Fellows!"

But I digress. For our first lesson in social science, let us turn to the study of economics, often called the queen of the social sciences. (Sociology is the king of the social sciences. Advertising is the jack.) Economics breaks down into two broad general classifications: 1) coins; 2) folding money. But before taking up these technical aspects, let us survey briefly the history of economics.

Economics was discovered by the Englishman, Adam Smith. He published his theories in 1778, but everybody giggled so hard that Smith, blushing hotly, gave up the whole thing and went into the cough drop business with his brother.

For long years after that, economics lay neglected while the world busied itself with other things, like the birth of Victor Hugo, the last days of Pompeii, and the Bunny Hug.

Then one day while flying a kite during a thunderstorm, the American Henry George (also called Thorstein Veblen) discovered the law of diminishing returns, and then, boy, the fat was in the fire! Before you could say "knife," the Industrial Revolution was on! Mechanization and steam power resulted in prodigies of production. For example, a Welsh artisan named Dylan Sigafoss before the Industrial Revolution used to make horseshoes by hand at the rate of four a day. After the Industrial Revolution, with the aid of a steam engine, Sigafoss was able to make entire horses.

And so it went—factories rising from the plains, cities burgeoning around the factories, transport and commerce keeping pace—until today, thanks to economics, we have smog, depressions, and economics textbooks at \$5.50.

The makers of Philip Morris, who bring you this column, are no economists, but they do understand supply and demand. You demand gentle smoking pleasure; we supply the cigarette that has it—Philip Morris, of course!

Beasley Takes Over As Rushing Leader

Senior halfback Stan Beasley replaced Joe Uhl as the Spartans' leading ground gainer after the New Mexico game Saturday night. Beasley has gained 243 yards in 42 tries for an average gain of 5.8 yards per carry. Uhl, who led

SJS in this department until Saturday despite the fact that he missed one game, has amassed 225 yards on 40 carries for a 5.6 average.

Both Uhl and Beasley were slowed down considerably by the surprising New Mexico defensive unit. Beasley netted only 41 yards in 10 carries, while Uhl was really stopped—13 yards in nine attempts. Mel Soong picked up 42 yards in the Lobo game to nail down third place with 92 yards on 19 carries.

As a team, SJS has outgained its rivals on the ground 855 yards to 510. The Spartans have averaged 213.8 yards per game and 4.4 yards per try on the ground. They have held opponents to 127.5 yards per game at an average of 2.9 yards per carry.

Quarterback Tony Teresa has done most of the SJS passing, and has completed 17 of 37 passes for 239 yards and four touchdowns. Opponents have completed 23 of 56 passes against the Spartans for 313 yards and 1 touchdown. SJS defenders have picked off nine enemy tosses, while opponents have intercepted three Teresa passes.

Spartans Drop 8-2 Decision to Bears In Winners' Pool

The SJS water polo team received another setback yesterday, bowing to the University of California, 8-2, in the winners' pool. It was the third loss in a row for the Spartans.

The Bears built up a 6-0 half-time lead by scoring three times each in the first and second quarters, and coasted in during the second half. The Spartans matched California in the second half—each team scoring two points.

Center back Lee Walton and guard Art Lambert did the SJS scoring as they have in previous games—each man getting one goal. Perry Rablin, Larry Wood, Tom Nilsson, Jim Vinzant, Stan McConnell, Dick Threlfall and Ron Mann also saw action for the Spartans.

The strenuous road trip last weekend may be partly to blame for the Spartans' loss. During the trip coach Ed Rudloff's men faced the best water polo competition in the nation, and played their best and worst games of the season, according to Rudloff.

SJS played its worst game of the young season against the Trojans, Rudloff said. USC, considered the best collegiate team in the country, took advantage of every Spartan mistake in crushing SJS. Walton scored one goal, and Lambert two in that game. That night the Spartans came back and played their best game of the season before dropping a close 6-4 decision to the El Segundo Swim Club, who represented the United States in the last Olympic Games and Pan American Games.

Flying 20 To Meet

Members of the Flying 20 Club will meet this evening at 8:30 in Room 119 of the Engineering Building for the purpose of recruiting new members.

Prospective members are invited to meet the club members and its officers. Club officers include Pete Sammet, president; Art Reed, vice president; Floyd Matthews, treasurer and Bill Reese, secretary.

LEFT TACKLE Gene Cronin is one of the big guns in the rough College of Pacific line. He is the only lineman on the Tiger squad who has scored a touchdown this season. Cronin scored after taking a lateral from end A. D. Williams, who had caught a pass thrown by quarterback Jim Reynosa. The Pacific line is big and experienced, and will present the Spartans with a stiff test.

Hogan Formally Retires From Tournament Golf

NEW YORK, Oct. 18 (UP)—Ben Hogan, the game little guy who knew how to play golf only for keeps, will play it only for kicks from now on.

Hogan, four-time winner of the National Open, announced his formal retirement from competi-

tive golf today in an article in Look magazine. The 44-year-old Bantam Ben, who originally stated his intention of quitting after taking his bid for a fifth Open title last summer, will play the game now only for pleasure.

"I can no longer compete in tournaments," Hogan said in the article. "I can no longer maintain the concentration of strength necessary to prepare properly." Hogan added that he "dedicated" his life to golf 25 years ago and made up his mind at the time that it "was going to be just about the biggest thing in my life."

Senior Class Elects Rosemarie Pedone To Student Council

Rosemarie Pedone was elected senior representative to the student council on a white ballot at yesterday's senior class council meeting. Miss Pedone's application was the only one for the position.

President Don Abinante stated at the meeting that Mr. Jacobs, co-adviser of the class, said recently that senior week activities would not be curtailed as a result of seniors having to take finals.

Plans for senior week were discussed at the meeting and it was decided to make definite decisions about activities after the final word from the President's Council meeting Friday.

The class council also discussed the after-rally dance which will be held Friday night, and the after-game dance, Nov. 5. Jody Leisi is chairman of the after-rally dance. Abinante reported that sponsors have been obtained for the evening and everything is set. Cost of the dance will be 35 cents stag and 50 cents per couple. It will be held in the Women's Gym.

Weekend Accidents Cause 11 Fatalities

SAN FRANCISCO, Oct. 17 (UP)—At least 11 persons were killed over the weekend in Northern California traffic accidents.

Alfred A. White, 58, Brawley, was struck and killed by an automobile Sunday night as he was crossing the West Sacramento Freeway.

Jose Leon, about 30, Dixon, was also killed early Monday in West Sacramento when his automobile overturned as Leon drove west on Capitol Avenue.

Jose Bustamante Gonzales, 34, San Jose, and Charlotte Munoz Boyd, 37, Garberville, were killed Sunday night when the Southern Pacific Del Monte struck their car at a crossing four miles south of San Jose. The northbound train dragged Gonzales' auto 200 feet.

Earl J. Garrison, 28, Coyote, was killed when his car left the highway eight miles south of San Jose, sideswiped two trees and hit a third.

Charles M. Black, 61, San Jose, was killed Sunday when his auto collided with one driven by Ysa-bel Cruz, 54, San Martin, on Highway 101 near Gilroy. Black's wife, Berti, 55, was seriously injured.

Fliers To Meet

Alpha Eta Rho, national aviation fraternity, will meet this evening at 7 o'clock in Room 119 of the Engineering Building to discuss plans for taking in new members.

At a meeting held last week and presided over by President George Buzzini, elections were held for four officers. Ernie Pereira was elected vice president.

Pereira replaces Floyd Ross who dropped out of SJS to take a job with United Airlines. At the present time, Ross is attending flight school in Denver, Colo.

Other newly elected officers include Minoru Terada, social chairman; Art Moss, historian, and Rene Schoennauer, sergeant-at-arms.

Engineering Department Head States Enrollment Above Expected Increase

The Engineering Department is "really in a bind," according to Dr. Ralph J. Smith, head of the department. "Percentage wise, the Engineering Department is growing more rapidly than the college as a whole," Dr. Smith stated.

When the Engineering Building was designed, it was planned to accommodate 10 per cent of 6000 full-time-equivalent students, the limit once set on the college by the State Department of Education, Dr. Smith said.

There are now over 9000 students at SJS and approximately 740 are majoring in engineering. "This is not quite 10 per cent of the new enrollment yet but we expect to reach that figure by next year," Dr. Smith explained.

NEW ADDITIONS HELP
"Additions to the gym, library and Science Building are being readied to help take care of the large enrollment. The Science Department, especially, has needed the new addition for some time," he said. "But chances for increased Engineering Department facilities during the next five or six years are slim."

"With over 800 engineering students expected next year and even more the following year, we don't know yet how we're going to meet the problem," Dr. Smith stated. "The addition of more faculty will be no problem, though."

The Engineering Department has grown steadily since 1950 and especially since its new building was completed two years ago. Class rooms in the Engineering Building are now being used 24 hours a week, instead of the planned 21 hours. This leaves 16 hours a week for maintenance and repair.

LAB SPACE
There is enough lab space now, according to Dr. Smith but there won't be next year. Regular classes have overflowed this year into the "old" Technical High School Building.

Working together on the atom-for-peace program, Britain and the U.S. still did not see eye-to-eye on the election to fill the one remaining Security Council vacancy, with Washington reported to have appealed unsuccessfully to London for help in gaining the seat for the Philippines.

U.S., Britain Planning Atomic Energy Confab
UNITED NATIONS, N.Y., Oct. 18 (UP)—The United States and Britain are putting finishing touches to a plan for a conference of 84 countries to set up an International Atomic Energy Agency to supervise peaceful atomic uses, informed sources said yesterday.

The two countries are expected to submit a new resolution calling for such a conference to the United Nations main political committee.

Under a resolution previously presented by the American and British, with co-sponsorship from Australia and Belgium, the U.N.'s 60 members and the 24 additional members of its specialized agencies were invited to submit comments to Washington on a draft statute for the atomic agency. The draft statute had been negotiated by the United States and eight other countries which will be charter members of the agency.

'Y' To Hold Work, Fun Get-Together
The Student Y is planning a poster party, fun and work night this evening at 7 o'clock in their building, corner of 9th and San Antonio streets. A business meeting will start the affair, according to Diane Suhr, publicity chairman.

At 8 p.m. the various Student Y committees will meet. They include: publicity, social service, "Y lite" staff, social action, recreation, social programs, fire-sides and interest groups.

Dancing and refreshments will follow the committee meetings.

Spartans Drill For Tiger Clash

Heavy contact scrimmage has been the situation on the practice field this week for the San Jose State Spartans as they prepare for the rugged College of Pacific Tigers in a homecoming clash Saturday night in Spartan Stadium.

For the undefeated Spartans, it will be their first real test of the season as they move into the tougher half of their schedule. The Tigers have a well balanced club that have won their last three games after losing their first two to Stanford and Purdue. Last week the Bengals impressed with a 13-7 triumph over Oregon State.

The Spartans, who played rather spotty last week in blanking New Mexico, 14-0, are stressing both offense and defense in this week's workouts. Coach Bob Bronzan said that the team will hold its last heavy contact duty today and later practice will consist of light drills.

The Golden Raiders will be seeking a fifth straight victory of the season Saturday, and at the same time will try to bring back the traditional SJS-COP bell to Washington Square. Pacific holds possession of the bell at present by virtue of its 13-7 win over Sparta last year.

Prior to last season, San Jose held possession of the bell since 1951.

Greek Groups Announce New Officers, Events

ALPHA CHI OMEGA

Members of Alpha Chi Omega celebrated their 70th birthday Oct. 15. National officers of Alpha Chi Omega were feted at a luncheon Sunday afternoon. Officers include Mrs. R. L. Suppes, president; Mrs. Kennard Jones, vice president; and Mrs. M. H. Scott, past president. Mickey Miner, pledge trainer, announced new officers of the fall pledge class, Shirley Gagliardo, president; Donna Hogan, vice president; and Connie Maxwell, treasurer.

ALPHA OMICRON PI

Nancy Beal was elected president of the fall pledge class of Alpha Omicron Pi. Her assisting officers will be Francis Zupanovich, secretary-treasurer; Mary Williams, activities and song leader and Shirley Ann Morris, council representative.

ALPHA PHI

Initiation rites were held at the Alpha Phi house Monday evening for Gail Wilson, Joan Arnaudo and Barbara Zuur.

Members of Alpha Phi are planning a Halloween exchange with Kappa Alpha Fraternity, Oct. 26. Recently members of the sorority celebrated their 83rd birthday, and were honored on that occasion by the presence of their National President.

CHI OMEGA

"Hobo Dress" was the theme for the Chi Omega-Sigma Nu exchange held Wednesday evening. After dinner the two groups gathered at the Chi Omega house for dancing and entertainment. Saturday morning formal initiation was held at the Chi Omega house. New activities include Elizabeth Frisch, Gloria Howell, Eileen Macken and Donna Tuttle.

New pledge officers are Myrtle Hertrick, president; Anita Solari, secretary; Gerry Bryne, treasurer; Carol Barshue, sergeant at arms; and Lorraine Corda, activities.

DELTA ZETA

Members of Delta Zeta pledge class recently elected the following officers: Pat O'Carroll, president; Mary Lou Butler, secretary; Elene Dukellas, treasurer; and Didi Smith activities.

Representatives for the junior panhellenic council are Jacky Gump, senior representative; and Andrea Berger, junior representative.

KAPPA KAPPA GAMMA

The fall pledge class of 1955 elected officers at their Monday night meeting: Pat Higgins, president; Gerry Wion, vice president; Jan Orwall, secretary; Blanche Fritzen, treasurer; Diane Sperbach, social chairman; Pat Burns, house chairman; Gayle Dalhen, big-little sister chairman.

Jackie Boyd, song chairman; Sharon Thatcher, program chairman; Lou Clark, scrap book; Lori Trioli, activities chairman; Patsy Black, scholarship chairman; Penny McClenhan, junior panhellenic.

Kappa Kappa Gamma celebrated its National Founders' Day Oct. 13.

SIGMA KAPPA

Initiation of Eleanor Lackner, daughter of Mr. and Mrs. Robert Lackner of La Crescenta, into the Beta Rho chapter of Sigma Kappa, took place Sunday, Oct. 9.

KAPPA ALPHA

Members of Kappa Alpha fraternity have announced the following list of new pledges for fall semester: Don Lucas, Steve Warden, Jim Hushaw, Bruce Carter, Wiley Schmidt, Tom Cummings, Don Reinmuth, Bob Mitchell, Bob Rush, Bob Coffman, Ron Tuttle, Don McDermott, Lawton Thomas, Jerry Seibis, Fred Fernandez, Dick Goodman, Dick Brown and Ed Vane.

PI KAPPA ALPHA

Lou Gambello, chairman of Pi Kappa Alpha's athletic committee, has named the following to assist him for the coming year, Doug Boyd, football; Ralph Whitby, basketball; Bob Cracolic, softball; Mark Nemila, golf; Don Kemp and Dick Roza, boxing; Jim Balassi and Ruben Marquez, volleyball; Elwood Perkins, bowling; Bob Murphy, push cart relays, turkey trot and track.

Herbert Hansen was named by president George Snell to serve as alumni secretary. Keith Munsky was elected pledge president. Other pledge officers include Jim Corcoran, vice president; and Gene Bur, secretary.

SIGMA CHI

Brothers of Sigma Chi fraternity are making plans for the fourth annual Sweetheart Ball. Chairman of the event is Jerry Scott. Sigma Chi vice president. Each sorority on campus has nominated two girls as candidates for the Sigma Chi Sweetheart of 1955.

SIGMA NU

Brothers of Sigma Nu have announced the following fraternity officers: Tom Rimmerman, Commander; Owen Babcock, Lt. Commander; Gene Martin, recorder; Norm Young, treasurer; Bernie Workman, chaplain; Carl Shaver, reporter.

Bill Lawson, marshal; Jim Ross, sentinel; Leo Chiantelli, historian; Jim Carter, athletic chairman; Dave Martin, house manager; Bernie Workman, social chairman; Bob Engel, public relations officer; and Warren Everson, pledge captain.

SIGMA PI

Sigma Pi fraternity recently announced new officers for fall semester: John Kroenche, president; Karl Fratzke, vice president; Charles Chappell and Bob Whitehead, secretaries; Larry Larsen, treasurer; Chuck Bucaria, herald. Committee chairman include Fratzke and Whitehead, social; Bob Zange, pledge master and Bucaria, publicity.

THETA CHI

Members of Theta Chi held a barbecue, Friday, Oct. 14, with Kappa Alpha Theta sorority. The event featured volleyball and a rib steak dinner. The two Greek groups also worked on their homecoming float for the parade. Theta Chi chairman of homecoming activities is Vern Perry.

PHI SIGMA KAPPA

Preparations for the 1956 Moonlight Girl contest are beginning at the Phi Sigma Kappa house according to president, Aaron Levy. The brothers are anticipating another successful year, with hopes for a repetition of 1954, when Marjell McKinnon was selected National Moonlight Girl.

The first function is scheduled for Tuesday night from 7 to 9 o'clock in the Student Union, when the fraternity will host the 39 girls entered in the contest. The contestants will be comprised of three girls from each sorority and nine independent entrants.

Panhellenic Makes Plans For Dance

Castlewood Country Club has been designated as the site of this year's Panhellenic formal, according to Sandra Singer, panhellenic president. Arrangements for the dance, which is scheduled for Oct. 28 from 9 to 1 p.m., have been handled by Delta Gamma representative Jeanne Gibbs, panhellenic social chairman.

Kenny McCall's orchestra has been signed for the affair and Paul Thompson, member of the SJS student body, will entertain.

SANDRA SINGER
Panhellenic President

at intermission with folk songs. Delta Zeta is in charge of bids for the dance and Rosemarie Pedone, D.Z., announced that the cost will be \$2 per couple. The bids are being printed this week and will be distributed among the various sororities in the near future. Kappa Alpha Theta delegate, Phyllis Meyers is handling publicity for the affair.

Other business included in the recent Panhellenic Council meeting was a report from Earline Cousin, Chi O, on the newly formed Junior Panhellenic Council of which she is chairman. The first meeting of the group was held last week at which time a constitution was drawn up.

The new group consists of two members from each sorority. One girl must be a member of this fall's pledge class and the other a member of last winter's group of pledges. The purpose of the organization is to train freshman and sophomore members of the various sororities in the panhellenic system of sorority government.

Summer Weddings

KRAUSE-SMITH

Earlene Smith, daughter of Mr. and Mrs. Wyman Smith of San Francisco, became the bride of William Krause in a ceremony, Oct. 5, at the Swedenborgian Church in San Francisco. The former Miss Smith is a member of Sigma Kappa. Krause is affiliated with Sigma Chi.

COUSINS JOHNSON

Earlene Johnson became the bride of Bob Cousins June 18. The former Miss Johnson is affiliated with Chi Omega, and Cousins is a member of Theta Chi.

POTTER-WOODS

Meredith Woods married Bill Potter June 26 in Palo Alto. The former Miss Woods is a member of Chi Omega, and her husband is a graduate of Stanford University.

COOK-BESTE

Mary Beste, Chi Omega, married Steve Cook, Phi Delta Theta of Stanford, in June. The couple now is living in Florida, where Cook is in naval flight training.

SWEENEY-LA FEHR

Terry Sweeney, advertising major, and Janine La Fehr, journalism major, were married July 3 at San Moreno. Congregational Church. Both students have served on the Spartan Daily staff.

ROGERS-NEANEY

Susan Neaney became the bride of Lloyd V. Rogers at the Church of the Nativity, Menlo Park, September 3. The former Miss Neaney was a student at College of Notre Dame, Belmont, and Rogers is an education major at SJS.

MC CULLOUGH-FLANAGAN

Gail Flanagan, Kappa Kappa Gamma, and Jack McCullough, Kappa Tau, were married July 27 in Red Top, Calif.

ASCHER-WILLIAMS

Sandy Williams, Kappa Kappa Gamma, married Doug Ascher, September 11 at San Rafael, California.

FARLAN-PAYE

June Paye, Kappa Kappa Gamma, and Pat Farlan, Sigma Alpha Epsilon, were married in Reno, October 7.

TOMASI-MINOCHO

Myron E. Tomasi and Marie D. Minocho were married Sept. 3 at Trinity Episcopal Church. Both are language majors. The groom is a senior and the bride is a graduate of SJS.

Romance Roundup

PINNINGS

HOOTS-PETERSON

A bee in a bonnet told of the pinning of Sue Peterson to Tom Hoots. Miss Peterson is a senior education major and Hoots is majoring in forestry at the University of Idaho. He is affiliated with Lambda Chi Alpha.

JENKINS-MITCHELL

Diane Mitchell, Sigma Kappa, announced her pinning to Don Jenkins, Theta Chi. They are both seniors majoring in business.

WOOLIVER-BILL

Jerry Wooliver, senior Art major from Taft, announced his pinning to Carole Bill, sophomore Art major from San Anselmo, at Monday night's meeting of Pi Kappa Alpha.

MC PHERSON-RICHARDS

KAT Trish Richards, a junior from Oroville, Calif., blew out a flower bedecked candle to announce her pinning to Delta Upsilon Dale McPherson, a senior from Visalia. Miss Richards is a social science major, and Dale is studying business administration.

MCCOLLAM-RHINEHART

Daisies and baby pink roses decorated the candle that Kappa Alpha Theta Sarah Rhinehart blew out to announce her pinning to Alpha Tau Omega president Bill McCollam. McCollam is a social science major from San Jose, and Miss Rhinehart is a marketing major from San Jose.

BERNES-SEBRELL

Third Classman Don Bernes, a student at the Naval Academy in Annapolis, M.D., recently gave his class crest to Janet Sebrell, Kappa Alpha Theta.

ENGAGEMENTS

SAVAGE-ANDERSON

Beverly Anderson, daughter of Mr. and Mrs. H. H. Anderson of Palo Alto, announced her engagement to Allen Savage at the Sigma Kappa house. She is a senior majoring in commercial art. Savage is employed in San Francisco.

CURNOW-CORDANO

Patty Cordano recently told Alpha Phi sorority sisters of her betrothal to Bill Curnow, a senior advertising major at the University of Oregon. A spring wedding is planned for the couple.

BARTON-ARNAUDO

Joan Arnaudo passed a bridal doll to Alpha Phi sorority sisters at the Monday night meeting to announce her engagement to Tom Barton of Theta Chi. Miss Arnaudo and Barton are business majors from Campbell. The couple plan their wedding for next summer.

STEVENS-WENTS

Gwyneth Wents, Alpha Omicron Pi graduate, returned Monday night to blow out the traditional candle to announce her engagement to George Stevens, junior math major. The wedding is planned for Oct. 29.

LUCAS-STEADMAN

Wedding bells will ring in July for Sally Steadman and Don Lucas, who announced their engagement last week. Miss Steadman, Kappa Alpha Theta, revealed her engagement by passing a box of candy containing her ring to sorority sisters. The couple is from Pasadena, Calif.
